II. Apportionment of the costs of the International Criminal Tribunal for Rwanda

3. The General Assembly, in order to ensure that the source of financing of the Tribunal would be secure and stable, reaffirmed, by its resolution 49/251, that the expenses of the Tribunal should be met through additional resources on the basis of assessed contributions and authorized a separate special account to be set up outside the regular budget for that purpose.

4. The General Assembly also decided, as an ad hoc and exceptional arrangement, that Member States would waive their respective shares in the credits arising from previous budgets of the United Nations Assistance Mission for Rwanda in an amount equivalent to that of the amounts to be assessed, to be transferred to the Special Account for the International Criminal Tribunal for Rwanda from the Special Account for the United Nations Assistance Mission for Rwanda.

5. By its resolution 52/218, the General Assembly, cognizant that the unencumbered balance in the Special Account for the United Nations Assistance Mission for Rwanda was not sufficient, decided, beginning from the budget of 1998, to apportion half of the total budget for the Tribunal, after taking into account any cumulative surplus balance and credits from unencumbered balance, among Member States in accordance with the scale of assessments applicable to the regular budget of the United Nations and half in accordance with the rates of assessment applicable to peacekeeping operations. This method of financing has continued to be applied to all subsequent assessments.

6. The percentage shares shown in section III below were arrived at using the scale of assessments for 2015, adopted by the General Assembly in its resolution 67/238, and the updated composition of levels of contribution for peacekeeping operations for 2015, as adopted by the Assembly in resolution 67/239 and contained in the report of the Secretary-General (A/67/224/Add.1).
